Walking in Truth Concerning Healing

Kenneth Hagin:

“Once we understand that healing is God’s will for us, we simply need to receive by faith what already belongs to us. We can take God at His Word, believe it, and receive what He has promised. We can be fully persuaded and have an unshakeable faith in God that what He has promised, He is able also to perform, because healing is forever settled!”

Walking in Truth Concerning Healing

Yes, but I know someone who was prayed for and didn't get healed.”

Walking in Truth Concerning Healing

8 Major Reasons People Fail To Receive Healing (Hindrances to receiving what's already yours)

Hindrances to receiving Healing

1. HEALING DIED AND PASSED AWAY WITH THE LAST APOSTLE (Acts 3:10-13, 16).

1. GOD HEALS SOME, BUT NOT ALL. (Acts 10:38).

Hindrances to receiving Healing

3. The Traditions of Men

Mark 7:8-13

**JESUS SAYS MAN'S TRADITIONS
MAKE THE WORD OF GOD
POWERLESS.**

Traditions: A doctrine believed to have divine authority though not in the scriptures, in particular.

Hindrances to Receive Healing

The Traditions of Men

Mark 7:8-13

Vs. 8: they laid aside God's word to hold their own traditions...

Vs. 9: they reject the scripture and exalt their own traditions...

The result:

Vs.13 says all of these will make the Word of God of
POWERLESS.

Hindrances to Receive Healing

The Traditions of Men

- **The were taking what man had said, and making it what God said.**
- **In other words, they were teaching what man said as if it was what God had said.**
- **Problem: If we take as doctrine what man say, the enemy is always sowing and will take advantage of your ignorance...**

Walking in Truth Concerning Healing: “The Traditions of Men”

**How has what you’ve been taught sublimely
impacted your receiving?**

*Ex: People we know/in the Bible who got sick
or died:*

- ✓ **Evangelist Reinhard Bonnke**
- ✓ **Epaphroditus (Philippians 2:24-30)**
- ✓ **Elisha (II Kings 13:14-21)**

Walking in Truth Concerning Healing: “The Traditions of Men”

People we know/in the Bible who got sick or died:

Evangelist Reinhard Bonnke

- How can someone who led more people to Jesus get sick?
- **Healing is not a reward!!!!**
- You must take care of your body (sugar breeds cancer).

Walking in Truth Concerning Healing: “The Traditions of Men”

**How has what we've been taught sublimely
impacted our receiving?**

Epaphroditus

Philippians 2:24-30

- **He was a fellow minister with Paul.**
- **How did he get sick?**
- **He overworked himself**

Walking in Truth Concerning Healing: “The Traditions of Men”

How has what we’ve been taught sublimely impacted our receiving?

Elisha

2 Kings 13:14-21

- **Elisha the prophet, the man of God—the guy with the double portion that saw miracles and the dead raised, he got sick and died.**
- **How can this be?**

Walking in Truth Concerning Healing: “The Traditions of Men”

How has what we've been taught sublimely
impacted our receiving?

Elisha

- If you don't get understanding, then the devil will put in your head: “well if Elisha got sick and died, how do you think you will get healed?”

Walking in Truth Concerning Healing:

“The Traditions of Men”

How has what we've been taught sublimely impacted our receiving?

Elisha

- Elisha's dead bones raised someone from the dead.
- So evidently you can be anointed to pray for other people and they get healed and you struggle and not get healed.

Walking in Truth Concerning Healing:

“The Traditions of Men”

How has what we've been taught sublimely impacted our receiving?

Elisha

- **This is why so many faith preachers or faith healers get sick and die.**
- **It's because their anointing isn't to heal them, it's to heal other people.**
- **They have to believe God.**

Walking in Truth Concerning Healing: “The Traditions of Men”

How has what we've been taught sublimely
impacted our receiving?

POINT:

- You can be anointed and still have a personal battle with sin or sickness.

Walking in Truth Concerning Healing:

“The Traditions of Men”

Kenneth Copeland Nugget:

Many spend so much time studying to minister to others and then minister under the anointing and not discern what happens after that anointing lifts.

MISTAKE: Not feeding your spirit with healing confessions/scriptures....allows you to get sick or become wiped out...

Walking in Truth Concerning Healing:

“The Traditions of Men”

Kenneth Copeland Nugget:

“You must feed your faith where your physical body is concerned.

Must make confessions: Daily confession: I believe I receive my healing.”

PAUL’S THORN

If we believe a person who wrote most of the New Testament can be sick—and that sickness come from God, where do you and I stand?

Walking in Truth Concerning Healing: “The Traditions of Men”

PAUL’S THORN

LET’S GO TO THE TEXT

1 Corinthians 12:1-10

Walking in Truth Concerning Healing: “The Traditions of Men”

SUMMATION:

Paul was telling them that all these revelations were coming to him and because of these revelations, he was being exalted—God was using him; He was reaching multitudes of people so there was a messenger sent by Satan to buffet me—lest he should be exalted above measure.

Walking in Truth Concerning Healing: **Paul's Thorn**

The threat: Paul's revelation was profound—he wrote over half of the NT; written by one man—and this is only what he wrote—

Can you imagine being in one of his meetings?

What have we learned from this man?

Walking in Truth Concerning Healing: “The Traditions of Men”

SUMMATION:

So whatever that thorn is we know it was a *messenger sent by Satan*; we know the purpose was to bring down Paul because he was being exalted [**by God—to the people**] because of all the revelations.

Walking in Truth Concerning Healing: “The Traditions of Men”

SUMMATION:

Buffet: what does this mean? We can't understand his thorn without understanding what this word means.

Walking in Truth Concerning Healing: “The Traditions of Men”

SUMMATION:

Buffet: Greek: to rap with the fist repeatedly;

It means to beat: Example: you hit your hand bam; you have to pull your hand back bam; pull your arm back bam and over and over again.

Walking in Truth Concerning Healing: “The Traditions of Men”

SUMMATION:

Bottom line: means to beat repeatedly similar to the waves on the beach.

Oceans generate waves—those waves will slam into the beach—*buffet* the beach—they slam into the beach and then retreat and then beat again—then retreat and then they buffet the beach.

INFIRMITIES

Walking in Truth Concerning Healing: **Paul's Thorn**

Paul listed all his infirmities:

2 Corinthians 11:21-27 (KJV)

His thorn was persecution and tribulations and afflictions that were a constant demonic assault on his mission (purpose).

Walking in Truth Concerning Healing: **Paul's Thorn**

While the people heard the revelation and saw the power of God flowing through him, they were encouraged, inspired, and on fire.

Walking in Truth Concerning Healing: Paul's Thorn

BUT: while they saw all this power flowing through him, they also saw the persecution—all the affliction—all the demonic attacks against him.

This caused them to recoil—to fall back.

Recoil—that's the purpose of the devil—maybe pastor is stealing money from the church, adultery; etc...

Walking in Truth Concerning Healing: Paul's Thorn

Satan is still doing the same thing today in the world and people don't even recognize that this is the intention of Paul's thorn.

And Pastor and Dr. Moss' thorn:

Discredit the messenger; discredit the message.

Walking in Truth Concerning Healing: **Paul's Thorn**

My husband has been attacked twice by the same demon.

While some are encouraged, others are disappointed.

That's why we've always said don't idolize us.

Satan's plan: cause you to recoil.

Walking in Truth Concerning Healing: **Paul's Thorn**

I SEE IT: It's happened before.

People have quit the ministry because of the stand we take on the word.

We will continue to stand for the uncompromised word.

Walking in Truth Concerning Healing: **Paul's Thorn**

But then when our heads got cut off, how many of you would show back up for church? And how many of you would stand up and say the right thing with us?

Walking in Truth Concerning Healing: **Conclusion Paul's Thorn & Word to You**

2 Corinthians 12:9(KJV)

⁹ And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

FOR MY STRENGTH IS MADE PERFECT.

OH HOW WE HAVE MISINTERPRETED THIS:

**THEOLOGIAN'S AND REV. TRIMBLE
PREACH:**

Walking in Truth Concerning Healing: **Paul's Thorn**

**GOD IGNORED PAUL AND SAID JUST
LIVE WITH THIS THORN.**

NO!!!

**God answered his prayer and said: my
grace is sufficient for you—grace is My
power—My strength in your human
weakness—My grace is perfected in
your human weakness.**

Walking in Truth Concerning Healing: Paul's Thorn

ONLY BELIEVE

Walking in Truth Concerning Healing: **Paul's Thorn**

Now this is the word of God—you see it—it's now up to you not to let traditional teaching cause you to not receive from God thinking God will put a sickness on you for whatever reason.
