PROPHETIC WORD**

"Get Ready To Experience the Ministry of Holy Spirit like never before"

In 1939, Smith Wigglesworth, the great Apostle of Faith had a vision of huge proportion. This is what he saw:

1. A healing revival after world war II where it will be so easy for people to get healed.

And there was a healing revival right after the war.

2. People of all different denominations being filled with the Holy Ghost.

This too was fulfilled such as: the emergence of full gospel businessmen associations; charismatic Catholics and people of all denominations were being filled with holy spirit.

3. Auditoriums full of people, coming with notebooks. There will be a wave of teaching on faith and healing."

We also experienced that wave he saw, and we call it the word of faith movement.

4. The last day revival that's going to usher in the precious fruit of the earth. It will be the greatest revival this world has ever seen! It's going to be:

**** A wave of the gifts of the spirit.**

**** The ministry gifts will be flowing on this planet earth.**

**** I see hospitals being emptied out, and they will bring the sick to churches where they allow the holy ghost to move."**

"Get Ready To Experience the Ministry of Holy Spirit like never before"

Soterian:

Only this final prophetic word from Bro Wigglesworth remains to be realized. And God says, **we are the generation** who can expect a wave of the gifts of the spirit and the emergence of ministry gifts flowing like never before. (Acts 13:41).

We will operate in the nine gifts of the spirit in such a way that God's presence in us will be irrefutable.

This will coincide with the deployment of the most prolific ministry gifts on the planet. But these ministry gifts will not just be the five-fold ministry gifts expressed in Ephesians 4 and 1 Cor 12; but will include the ministry gifts as revealed in a vision seen by Senator Michael Croft who went to heaven and Jesus showed him:

"God's people ruling over a sphere of influence and they are ruling over **their kingdom**. These included a restaurant owner, lawyer, dentist; people within the sphere and orbit of their service. Jesus was showing him people in terms of their ministry; only their ministry wasn't just the pastor, evangelist, or teacher, but people with assignments who had ordered their sphere of the kingdom as a part of the kingdom that was under their authority. And when there was shaking in the lake people were going to these spheres (of believers) to find out what they were doing differently because evidently what they were doing was working out better than what these other people were doing. Jesus is referring to multiple kingdoms that we never thought existed. God has called us to be a kingdom people and everywhere we have been assigned a field of authority it's the kingdom."

So, you must see yourself ruling over a kingdom that god has assigned to you and the gifts of the spirit will manifest as you occupy territory in your ministry/kingdom.
